...S-SLEEPING HERE!?
WITH CAPTAIN TOUJOU!?

Huh? Ah, no...
Aren't you tired?
Let's sleep.
くるっ。
T-That's right...
Oh yeah... As far as Motoya's concerned, this is your first time staying here, isn't it..?
カァ!!
What's wrong? It's just like the first time you stayed here.

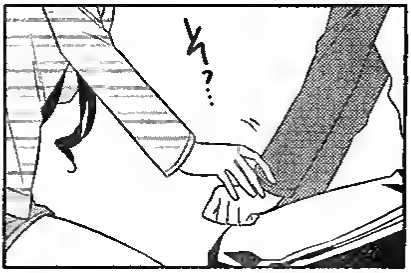
But, Motoya isn't allowed to sleep anywhere else...

Mm...

スッ



ん？…

So...
Try your best to sleep here, please!

SFX. Gulp

This bashful Motoya's a bit cute too...
?
O-Okay. I'll try.
This older Captain Toujou totally doesn't let anyone talk back..
Well... I have a feeling she was like that when she was my classmate too, though...
ドキ

Can I really sleep beside Captain..?
Even so...

SFX: Peek

...So he fell asleep.
Looks like the drug's effects still remain after all, huh..?
スゥ
This Motoya is still the 16 year old Motoya...
The Motoya who has an age gap with me...
I feel a little lonely for that, but...
I'm really happy
that you came back to me...

...Well... Ahh. So that's the main building's area then?
Huge, huh..?

Yes, I'm just washing my face over here~

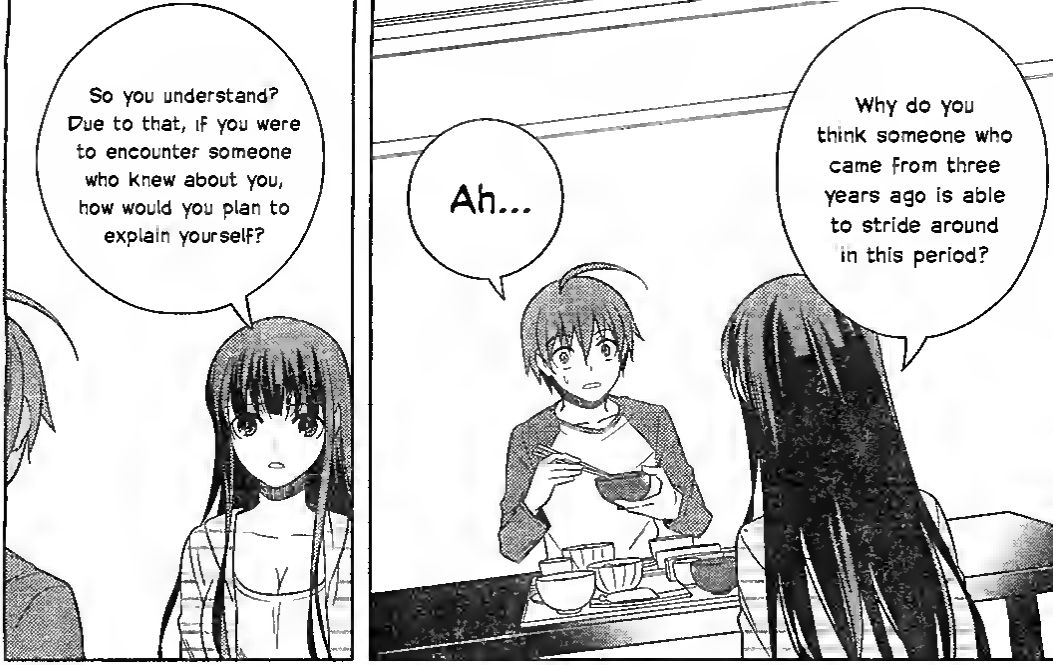
Um...
I have some errands today, so I will be heading out
SFX: Place
Eh?
I apologize, but Motoya may not leave this home
Erm...
Have you forgotten about yourself?

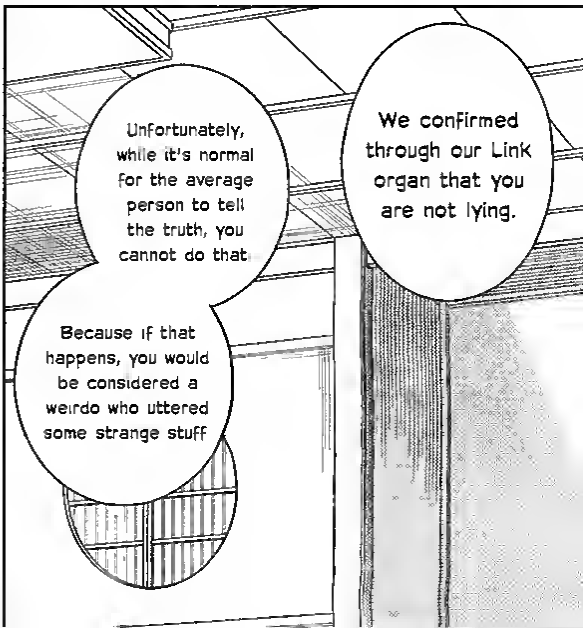


So you understand? Due to that, if you were to encounter someone who knew about you, how would you plan to explain yourself?
Ah...
Why do you think someone who came from three years ago is able to stride around in this period?

I see. And then you would be thrown into a mental institution...
はあ…
No, well... I'd say I came from the world three years ago...

Are we clear?

Crystal...



We confirmed through our Link organ that you are not lying.
Unfortunately, while it's normal for the average person to tell the truth, you cannot do that.
Because if that happens, you would be considered a weirdo who uttered some strange stuff

But hey... Good thing it's spacious.

Hmm?
?
That's the dining hall- Er, huh..?
But, the house is enormous, ain't it..?

Oh?
I feel like I saw space in the interior of this building from the outside...
Could it be a hidden room?

How are the state of affairs?
It's been a month since the *Hiawatari Device* was stamped by decree of *His Excellency*, but—

That's wonderful.
Not seeing any insolent people looking to exploit the Hiwatari Device is
a delightful situation as far as the current government's concerned.

Eh?
T-That's not it!!
Did something happen?
...You look like you're zoning out, but...

N-No...
Heh...
Himari's hiding something from me, huh?
Since Himari and I are close cousins,
I believed that Himari trusted me in her own special way, but...
But, Your Highness, you are my lifesaver!
Of course I trust you!!

E-Erm...
.....
You can't call it trust if it's a relationship where you hide your worries! Generally speaking.
Ahh I have been receiving reports in regards to Hazakura's appearance!
But it seems like there's slight confusion in regards to their accounts.
Truth is, Motoya...
Hazakura Motoya was found...
That's fine! From here, I will counsel you as your cousin.
I see You've come to ask me about Hazakura, right? I obviously know about your relationship with him.
Erm... That is...

A-
Actually
...
Watching Motoya sleep, I did an unthinkable act, even for me
An unthinkable act?

It is not a laughing matter!
I am worried since I am wondering whether I may be a perverted girl!

Pfft-

!?
Ahaha-hahah!!

Eh? I-Is that so?

But, isn't that a wonderful thing?
Men probably like the kind of perverted girl you're talking about!
Ahahah- Sorry about that!

Th-Then, Motoya's also...

Unfortunately, since I'm a woman, I cannot assert that, but ...
That's what I hear.

.....

B-But...
Eh-
I am now surging with interest for this Hazakura whom Himari is clinging on to such an extent
I want to try meeting him once...
This is an order.
Let me meet Hazakura.
